

Michael J. Jensen - Tooele County Auditor

I have had the privilege to serve as the Tooele County Auditor since March 2000. I graduated from Weber State University in 1989 with a Bachelor of Arts degree in Accounting. During the 10 years that I have served in this capacity I have had the opportunity to incorporate a new financial reporting system that includes Accounts Payable, Payroll, Financials, and Fixed Assets. I had the opportunity to serve as the President of the Utah Clerk/Auditor affiliate group of UAC during the year 2009 and served as Vice President the year before. Named 2009 "Auditor of the Year" by members of the Utah Clerk/Auditor Association.

Prior to working for Tooele County, I worked 11 years for ZCMI in several areas. My career there began in the Internal Audit department where I worked for approximately five years before moving to the General Accounting area. I worked as the Accounting and Payroll Supervisor for three years before being promoted to Assistant Controller.

My wife Marjorie and I live in Tooele and have three wonderful children. I have been a member of the Tooele Volunteer Fire Department for 18 years serving as Secretary/Treasurer for 14 years.
